Words from our Principal on the job – Brett Speed

The term is quickly coming to an end. With only two weeks left before the school holidays there is still a lot to finalise. Student reports, parent/teacher conferences and classrooms preparing for their end of term celebration. Each class will have an opportunity to think of an idea they would like to do as a reward for all of their hard work.

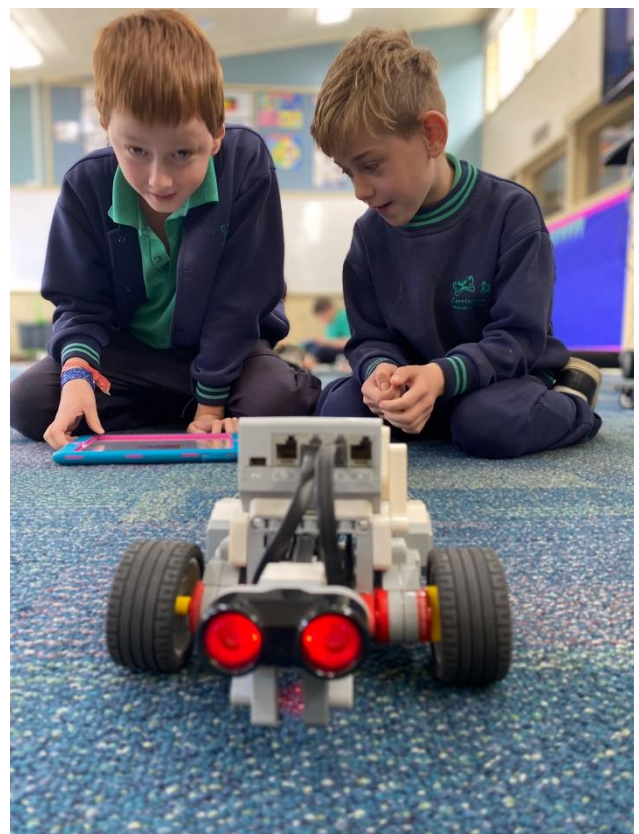

A reminder to all families that Monday 13th June is a public holiday and there will be no school or care available.

Student reporting and Parent/Teacher conferences:

Student reporting will be distributed to families in the coming weeks, with Parent/Teacher conferences held on the Monday and Tuesday afternoon/evening in the final week of term for JJM, JMC and SEP. These bookings will be made available early next week using SENTRAL. If you require assistance, please do not hesitate to contact the school on 9763 9600 to support your booking. Interviews will be strictly 15 minutes in duration. If you require additional time, please contact your child's classroom teacher. Please be considerate of other families who hold bookings and arrive on time for your appointment. If you would prefer a phone call rather than speaking in person, please contact your child's classroom teacher.

Robotics workshops:

Our senior students participated in the Robokids workshops this week. Students were actively engaged in the session using iPads to code the movement of each robot. These sessions will build

student knowledge around digital technology and allow them to explore and engage with technology prior to our STREAM program commencing in Term 3.

At the end of the day classroom teachers also engaged with the Robokids instructors for a professional learning session. This provided them with targeted and detailed learning to support the implementation of our own robotics program.

Illness in the colder months:

Please ensure your child is dressed appropriately for the colder months. Bomber jackets, jumpers and tracksuit pants are available new and second hand from the office. Please see Sue if you require any additional items of clothing. In addition to this, if your child is unwell they should stay at home and rest and come back to school once they are recovered. Thank you for your support with this.

Farewell:

It is with great sadness that we farewell one of our long-time OSHC operators, Faith. Whilst we are losing a very talented and skilled member of staff, we welcome Faith into the educational fraternity having graduated from her course. Faith ceases employment with Carrington PS at the end of the first week of school holiday program. As a school, we wish Faith all the best in her future endeavours and thank her for the work she has done at Carrington. Emily has already transitioned into leading the OSHC program and will continue in this role for the foreseeable future.

Major works:

The fencing is up and the compound secure. Demolition works on the middle building are currently underway. This weekend there are major works occurring. Please do not access

the school grounds including playgrounds, basketball courts, etc. A lot of preliminary work is being done at the moment, with most of the work done out of hours to minimise disruptions to school programs. These works will take place through the winter months and will hopefully conclude by the end of Term 3.

Attitudes to School Survey:

Students in Year 4, 5 and 6 this week completed the annual Attitudes to School Survey. This survey assists schools in gaining an understanding of each child's experiences at school. All responses to the survey are anonymous with the survey occurring during class time with their regular classroom teacher. The school will use the results to plan future programs and activities to improve your child's experiences at school.

Somers Camp:

Next Tuesday several Year 5 students from Carrington will head down to Somers Camp on the Mornington Peninsula for an amazing 9-day adventure. Approximately 160 students from across the Knox network will be in attendance. We wish all of our students the very best for the camp. Thank you to the families and staff that have supported these students throughout their journey. A big thank you to Mr M, who will also be attending the camp as an educational support to the students. This is a fantastic opportunity for our future leaders and we wish them all the best for what will be a memorable camp for them all.

2023 Foundation Enrolment

If you have a child due to start at Carrington next year, or know someone that does, could you please complete an enrolment form. Forms are available from the office and also the school website [Enrolment \(carringtonps.vic.edu.au\)](http://carringtonps.vic.edu.au). I know that this is early asking for enrolment forms but it does assist with longer term planning.

Our transition program for 2023 Foundation students commences on Friday 21st October. School tours can be arranged upon request by contacting the office on 9763 9600. We are

more than happy to showcase our programs and grounds to prospective families.

Have a fantastic long weekend. If you are going away please travel safe. We look forward to seeing you all back at school on Tuesday 14th June.

Dear Families,

The June/July holidays are fast approaching, and now is the time to secure your child(ren)'s spot in the Carrington OSHC Holiday Program. These holidays are going to be very exciting, with many brilliant activities planned that your child(ren) won't want to miss out on, including an exciting excursion to the movies!

Please be assured we will take all necessary precautions to ensure the excursion is COVID-safe. A risk assessment will be available for the excursion if you would like to view it.

To book your child(ren) in for these holidays please fill in the following form and return it to the office or OSHC room.

Please also make sure that you have applied for the new Child Care Subsidy or your child's place and fees will not be subsidized.

Bookings close on the 17thth of June; the program is subject to numbers. If the program does not reach the required numbers by this date, it will not run.

Kind Regards,

Faith Sequeira & Emily du Vaillon
