Welcome back to Term 4. It has been great seeing all of our students return after a much-needed break. This term presents many opportunities for our current and future students with transitional sessions, swimming, camp, incursions and experiences throughout. The school has secured several grants this term to support the mental and physical well-being of our students. We are looking forward to a wonderful final term to the year.

### Staffing update:

We are very fortunate to have secured the services of Jess Lim (Speech Therapist). She will be working in our school every Thursday across the school providing strategies, supports and resources to our students and families. Please make her feel welcome when you see her.

### Rugby Clinics:

Mr M has been running Rugby clinics for students in Foundation-Year 6 every Wednesday for an hour. These clinics are touching on the basic skills of rugby and allowing the students to engage in small games to showcase their skills. In the coming weeks some students in Year 4-6 will have the opportunity to represent Carrington PS at the Rugby Gala Day where we will have several teams competing in modified games, similar to touch rugby. More information will be distributed in the coming weeks.

### 2024 Foundation Transition:

Our incoming Foundation students commenced their transition into school with an Art session. Miss Anna and Mrs Marsden introduced the students to our specialist spaces, creating some wonderful masterpieces. It was lovely having our new students at Carrington and we look forward to getting to know them with each and every session that we have. Our next session is on Friday 20<sup>th</sup> October focusing on our Digital Technologies/STREAM program.

- ☆ Luke 45C
- ☆ Noah F1M
- ☆ Riley 56M
- ☆ Karas 45C
- ☆ Ava F1M

on their special day.

### 2023 Swimming program:

Earlier this week Mr Walsh sent families information about the upcoming swimming program. A hard copy notice will be sent home to all families to finalise permission, payment details etc. Some families have access to CSEF (Camps, Sports and Excursions Fund) which can be used to support payment. Please contact Sue in the office if you have any questions.

### Departing CPS or new enrolments:

If you are departing Carrington PS at the end of the year could you please inform the office or myself directly. We are currently working through 2023 planning processes. Alternatively, if you have a child starting school at Carrington in 2024, or know of someone that will be and are yet to submit your enrolment forms please hand them in to the office.
