	<i>For showing a kind, caring attitude and great sportsmanship</i>
MUSIC	James
	<i>For confidently reading and playing the glockenspiel.</i>
	Isabella F
	<i>For playing a complimentary rhythm on the glockenspiel.</i>

Words from our Principal on the job – Brett Speed

Welcome back to another wonderful term at Carrington. It is great to be back on-site and see all the students after the Easter break. There is a lot happening in the first few weeks of school with the ANZAC assembly, Cross Country, F-3 Garden excursion and Education Week activities that include Momentous May. Please ensure you read all notices that are sent home or check the website for upcoming dates.

ANZAC DAY:

Our wonderful school leaders and Miss Clohesy presented at assembly this week highlighting the significance and importance of ANZAC Day. Our senior leaders Connor, Zoe, Gabe, Blake and Kendall spoke about the ANZAC day and shared readings, poems and historical facts about the day. Classes each created a visual representation that was displayed during the assembly.

The whole school participated in the assembly including participating in period of silence as a sign of respect and time to reflect. Thank you to all the families that attended to support the day.

Carrington Cross Country:

Our annual school-wide Cross Country was completed on Friday with students from Foundation to Year 6 taking part. The Junior school ran during the morning block, followed by our senior students. Races were fast paced, and students tried their best to ensure points were awarded to their TRIBE for participating in the day. It was fantastic to see so many of our students decorated in the colours of their TRIBE.

Thank you to all the families that supported us during the day. It was a huge success, with some of our students now selected for District Cross

Country on Friday 12th May. Details will follow next week once times have been reviewed.

Canine Comprehension:

Year 5 and 6 students participated in animal-based therapies in the library this week.

Students worked with Sarah and Reef for an hour in the library, familiarising themselves with some of his behaviours and engaging in tasks with him.

We are fortunate to have been funded again for this program through the Knox City Council.

Local Church Runs Free Budgeting and Financial Wellbeing Course

Christians Against Poverty (CAP), are running a FREE budgeting course through One Hope Community Church in Scoresby on Wednesday 17th, 24th and 31st May 2023 starting at 7.30pm. It will be held at their community hub – Community@Cavell – which is situated opposite Scoresby Secondary College.

The CAP Money Course is a money management course that teaches budgeting skills based on timeless principles. This course will help anyone get more in control of their finances, so they can live within their means, manage or prevent debt and save for the future.

"We are hoping to get a great response from the community, money is a big stressor for many people. The CAP Money Course is a proven and effective budgeting system, and we are so excited to be bringing this course to the local community for free," says Jacqui Harvey, the Community Connections Worker at One Hope Community Church.

"It's always so rewarding when people come to a CAP Money Course and realise that there is a way to manage your finances so that money doesn't control them — they find a real freedom."

"CAP Money has been running in Australia for over ten years and we are really excited to be bringing it to our community" says Andy Buchan, Pastor at One Hope Community Church.

Anne, a graduate of the CAP Money course, had this to say "The course was brilliant. It helped me see where my money was going and the 'leaks'. The encouragement I received from the coach was great and tips from other participants helpful."

For more information about the CAP Money Course and to register, please visit https://capmoney.org/en_AU/joinacourse/643fc771bd44681a85087f22

About Christians Against Poverty

CAP releases Australians from debt and poverty in two ways; practically with debt advocacy and financial education, and at a deeper level through connection to local community. With a network of over 198 churches across the country, the charity operates through a growing network of centres, each opened in partnership with a local church. CAP will help anyone who is facing hardship as a result of unmanageable debt, providing all services free of charge. CAP empowers people to help themselves be released from the fear, oppression and worry generated by overwhelming debt. The CAP service also proactively teaches good financial wellbeing to all Australians, regardless of their situation.
