High '5' Moment

Do you have a 'High 5' moment you would like to share? Just drop a note, article or photo into the office and Sue will place your achievement in the newsletter

Student of the Week

Friday 5th August 2022

Presented at assembly

Wednesday 24th August 2022

JNR School	Mackenzie <i>For working independently when writing about Athletics.</i>
SDM	Isabella <i>For great participation during school athletics.</i>
SEP	Nathan <i>For such a positive attitude in our Athletics.</i>
PMP	Samar <i>For trying his best to do all activities.</i>

Words from our Principal on the job – Brett Speed

Thank you:

I would like to personally thank all the school community for their support over the past semester. Working at Carrington has been a wonderful experience and I look forward to continuing in the role long term. It is with great excitement that I take on the substantive Principal position at Carrington and I look forward to strengthening the home-school partnership further.

100 days of school celebration:

The Juniors (F-2) celebrated 100 days of schooling on Monday this week. Students were creatively dressed in special shirts or costumes as a fun way to celebrate the achievement. Mrs Marsden, Miss Colla and Miss Jane decorated the space beautifully to highlight the occasion. Special occasion t-shirts were also designed for each staff member participating (thank you Mrs Marsden!). Students engaged in fun tasks throughout the day, with balloons, streamers, hats and dancing done. Thank you to our incredible staff, students and families for participating in this celebration.

Athletics:

The Junior (F-2) and Senior (3-6) athletics were held on the school oval today, with a lot of fun competition had by the children. They competed in a range of running events: 100m, 200m, 400m and 100m hurdles as well as a few field events: discus and shot put. At the completion of each

athletics, students were presented with ribbons to celebrate their achievements in each event withing their own age group.

Year 3-6 children may have the opportunity to compete at Division Athletics on Friday 26th August after reviewing times and measurements for each event. More information will be distributed in the coming weeks.

It was fantastic to see so many of our students dressed in their TRIBE colours today. Thank you to Mrs Phillips for her organisation and our staff and volunteers for

their efforts today. Without these fantastic people supporting our students these events would be very difficult to organise and run.

Enrolments:

We are taking enrolments for 2023 Foundation currently. These forms are due to the office by Friday 12th August. If you have a child starting school next year, or know someone that does, please encourage them to contact the school office for a tour or to collect a form. These are also available on our school website – www.carringtonps.vic.edu.au. We appreciate your support in promoting our school.

Have a fantastic weekend.

Art Room Requests

Over the next few weeks can families please be on the look out for clean plastic tops (from milk, yoghurt containers, etc) and small cardboard boxes (eg cereal boxes/muesli boxes etc) for our lessons later in the term.

Hand them to your classroom teacher.

Much appreciated
Danielle Phillips

The Junior School Snapshot

Wow, we have been so busy over the last 2 weeks with lots of learning and celebrations. The 100th day celebration was filled with photos, counting, balloons and treats. To finish off our fortnight, we were able to compete in our tribe colours for our school athletics day. We would like to thank all our families for helping the students prepare for these special events. The students looked amazing and had a wonderful time.

Here are some other highlights from our classroom:

Literacy

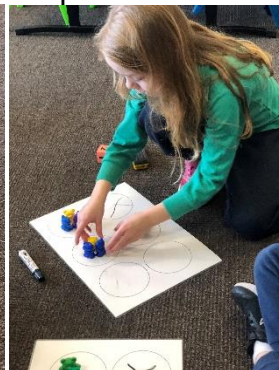

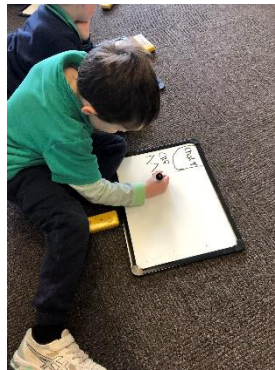

- CAFÉ Reading Strategy – Stretchy Snake, Back Up Bear, Flippy Dolphin and Sammy Seahorse
- Decodable Rules – Ch, Sh, Lion and Monster Words
- Rhyming and Poetry

Numeracy

- Multiplication
- 3D Shapes

Integrated Studies

- PMP
- Respectful Relationships – Stress Management
- Maps

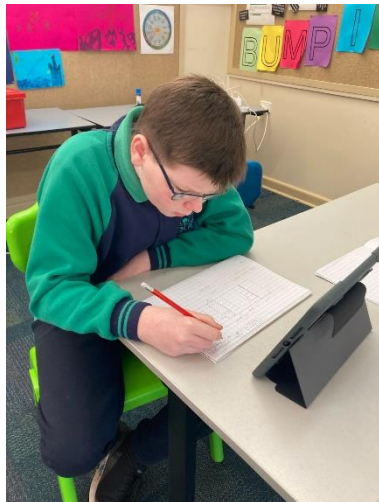

Senior School Snapshot

Over the past couple of weeks we have stayed busy with robotics, learning to understand and control our spheros through obstacle courses, and working well with the equipment. Students have also been busy preparing for athletics day, and getting into their team spirit! School leaders have continued to show their leadership through facilitating and actively being involved in the running of Tribes, school assembly, and Junior school council.

Literacy

In Literacy, senior students have been reading, analysing, and creating poems! Students have created cinquains, limericks, odes and haikus over the past two weeks. Through these different styles of poetry students have learnt about sentence structure and rhythm, as well as deepening their understanding of verbs, adjectives, nouns, metaphor, simile, and personification. It has been a lot of fun looking at the connection between poetry and songs, stories, and jokes.

Numeracy

In Numeracy, senior students have extended on from the money unit, into fractions, decimals, and percentages. We have looked at real-world problems involving money, where addition or subtraction are used. For some students this involved recognising, counting, ordering, and adding small numbers of Australian coins. For others, this involved adding or subtracting decimal amounts (e.g. $\$1.25 + \2.60), or working out the fraction or percentage of a given amount, to find the sale price of an item (e.g. A \$50 jacket was on sale for 20% off, how much money am I saving?). Students have used a range of materials and activities to explore these topics, with a focus on how they can be applied in life outside of school.
