Words from our Principal on the job – Brett Speed

Another week has passed us by so quickly. We have a lot coming up in the next few weeks with several excursions occurring. Please look out for notices and updates via Sentral to ensure you are not missing out on key information.

The demolition and renovation works are continuing with many workers operating throughout each day. They have commenced the installation of a new accessible bathroom in the hall and will begin concreting works early next week.

A lot of wonderful learning experiences have occurred in classrooms this week including the VCOP writing assessment which showcased some very engaging and original ideas. Hands on learning continues to be a priority at Carrington.

District Athletics:

The District Athletics team has been selected and sent off for processing. Information will be sent out to families with information for Friday 26th August. David Michalowsky and Kane Crawford will take the students for the day.

Congratulations – VIT digital edition:

Miss Mikaila Colla was recently featured in the Victorian Institute of Teaching digital newsletter for her work in the STREAM program. This is a wonderful achievement for her personally and highlights the work being done at Carrington Primary School. Mr David Michalowsky also featured in the publication with an image. Fantastic publicity for our school!

School Tours and 2023 enrolments:

We are actively taking school tours for 2023 Foundation students with quite a lot of interest. Our 2023 Foundation transition commences in early Term 4. If you have a child that is commencing Foundation at Carrington in 2023 please ensure enrolment forms are submitted for planning purposes.

Attendance:

Classrooms open at 8:45am each morning and we encourage all students to be here to set up their daily routines and be prepared for classroom tasks. Please ensure your child/children are here on time to maximise learning.

We hope that everyone has a wonderful weekend and look forward to seeing you all Monday.

Art Room Requests

Over the next few weeks can families please be on the look out for clean plastic tops (from milk, yoghurt containers, etc) and small cardboard boxes (eg cereal boxes/muesli boxes etc) for our lessons later in the term.

Hand them to your classroom teacher.

Much appreciated
Danielle Phillips

Tribes

This week, Tribes leaders ran a new Don't Wake the Dragon challenge, where students needed to order themselves by month of birth.

Many Tribes points were handed out for great teamwork and listening skills. Well done! Congratulations to Taungerong for winning the challenge! Students then completed the group colouring from our previous Tribes session,

which will be displayed in school in the coming days. It is always fantastic to see the students working together in problem solving activities and group work.
