Words from our Principal on the job – Brett Speed

Welcome back to the final term for 2022. It has been great seeing all of our students return after a much-needed break. This term presents many opportunities for our current and future students with transitional sessions, swimming, camp, incursions and experiences throughout. The school has secured several grants this term to support the mental and physical well-being of our students. We are looking forward to a wonderful final term to the year.

WORKING BEE:

On **Thursday 3rd November** our Junior School Council has arranged for a working bee to be done at the front of the school on the garden beds. The working bee will run from **3:30-4:45**. We are aiming to do the weeding, mulching and pruning of the gardens around the main building. Your help is greatly appreciated! For those that are unable to make the working bee and would like to assist at another time, please contact the school. We are always on the lookout for volunteers to support the maintenance of our school.

FOOTBALL AUSTRALIA ADVERTISEMENT:

Our school was selected by Football Australia to participate in a digital commercial to celebrate the upcoming Football World Cups for both the men and women. Two of our students were part

of the filming that took place at Carrington and will feature in some way in the upcoming advertisements. It was very exciting to have a professional film crew enter our school and for a couple of our students to feature in the commercial.

CANINE COMPREHENSION:

We have been very fortunate to receive an additional grant from the Knox City Council to have Canine Comprehension, a mental health and well-being resource, engage with our senior students in Term 4. This is a very late development and we are excited to have them at Carrington. There are 8 sessions that are 50 minutes in length for all of our Year 5 and 6 students. For more information on what Canine Comprehension do please look at their website <https://www.caninecomprehension.com.au/> Consent forms for our senior students will be sent out early next week.

ULTIMATE FRISBEE

Carrington students will be engaging with Ultimate Frisbee for the next 4 weeks commencing Thursday 13th October. Gecko Sports will be conducting the sessions to our students free of charge. This is another wonderful opportunity for our students to engage in active initiatives and learn new skills. All students will be scheduled a weekly 60-minute session.

VICTORIAN FOOTBALL INCURSION

Today our students engaged with Football Victoria for clinics from Foundation to Year 6 during Physical Education time. Chelsea from Football Victoria ran the sessions which were highly engaging and fun for our students. A wide range of skills were completed during this time. Due to the wetter weather the clinics were relocated to the basketball courts.

EACH HEALTHY LUNCHBOX INITIATIVE

Our Year 6 students will have a dietician and nutritionist work with them on developing healthy lunchboxes in their readiness for secondary school in late October. EACH will continue to work with all of our students at Carrington in 2023 with some healthy eating initiatives and activities.

DEPARTING CPS or NEW ENROLMENT

If you are departing Carrington PS at the end of the year could you please inform the office or myself directly. We are currently working through 2023 planning processes. Alternatively, if you have a child starting school at Carrington in 2023 and are yet to submit your enrolment forms please hand them in to the office.

Have a great weekend
