BRING ALONG TO SCHOOL THAT ALL IMPORTANT REFILLABLE DRINK BOTTLE EVERYDAY

In class and at school we need to have a refillable drink bottle.

Bring it to school filled with **water only** for a good reason it keeps us hydrated and healthy.

*NO sugary or power aid drinks.

Students should be wearing their school hat when outside, as we are a Sunsmart school

FOOTBALL AUSTRALIA COMMERCIAL:

Late Thursday night Football Australia launched their commercial that will be aired throughout the World Cup. Congratulations to two of our students, Rayyan and Karas, who feature in the advertisement! You can view the commercial on the Football Australia website at the following address. What a wonderful opportunity for our students at Carrington!

YEAR 6 GRADUATION:

Our Year 6 students are selling zooper doopers each Tuesday and Thursday afternoons to offset the costings of their Big Day Out this year. If you wish for your child to purchase one, they are available outside the front office for \$1 each at 3.30pm.

2023 TRANSITION:

Our incoming Foundation students had their 3rd session this week. The session was held in the classroom where students learnt about the items that are needed for when we start school. There was a lot of excitement in the room as students were able to see what a session in school looks like. Thank you to Mrs Marsden, Mrs Watson and Miss Colla for their work with these sessions as they make our new students feel welcome and the transition to school a much smoother one.

TRIBES:

Well done to Tribes leaders Jacinta and Zoe for taking on, setting up, and running this week's Tribes session. It was a huge success, with students completing in a scavenger hunt, finishing in a dance party! Congratulations to Taungerong for earning the most Tribes points for listening and working together, and Kurnai for winning the scavenger hunt! Thank you to Jade and Gabe for stepping in to lead Boon Wurrung and Wurrundjeri this week. Great leadership,

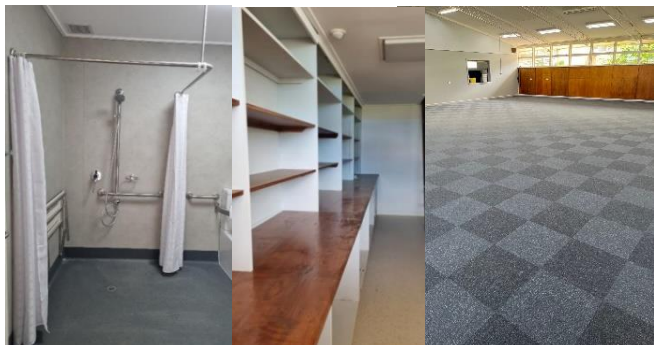

great teamwork, and an all-round success. Keep up the fantastic work!

WORKS UPDATE:

The hall is looking really good on the interior, with the storeroom, bathrooms and carpet all finalised. The cladding on the front of the building creates a lovely new entry way, which we will be able to use at the beginning of 2023 once final inspections are conducted. Our demolition area will remain fenced off for a while with project planning underway for the area.

Our school has successfully gained a funding grant to create a sensory garden space for our students to access, with a landscape architect sourced to design the area. The space will develop over the next 12 months.

Finally our shade sail has been installed outside the Junior building on the oval side. This will create another outdoor/flexible learning space for our students and staff to use in the warmer months.

CAMP:

Reminders to all participating Year 3-6 families to please return camp medical forms ASAP. Camp is next week and we are very much looking forward to the event. Several documents have been sent home in both digital and hard copy so please ensure you are keeping up to date with communications. A notice has gone home today with Year 3-6 students.

Updates will be sent from camp with some photos and a brief description of how things are going each day. Thank you to the staff involved for supporting our students on camp – Mr Michalowsky, Miss Emily, Mitch, Miss Jane, Mrs Watson and our Chaplain, Kane.

SWIMMING:

Please continue to send in swimming money and notices. The program will run in the final weeks of November and the first week of December.

Have a great weekend.

SCORESBY SECONDARY ART AND TECHNOLOGY SHOWCASE

On Wednesday the 16th of November Scoresby Secondary held their annual Art and Technology Showcase. It was a spectacular evening celebrating the art achievements of students from Carrington Primary School, Scoresby Secondary College and other local primary schools. Due to the large volume of visitors at the event the votes were not counted on the evening. They are currently being tallied, and Scoresby Secondary College will be in touch with us to notify the winners of the competition from each school. I would like to thank all the families that attended to celebrate their child's art achievements. Well done to all entrants.
